[Hebronstar Global Vision]

As the premier strategy consulting firm based in South Korea, Hebronstar focuses on innovation that drives growth, increases profitability, and sets new market-leadership standards for prominent companies around the world.

As of 2019, Hebronstar Strategy Consultants now operates in 7 regional offices across 5 countries consisting of South Korea, Indonesia, Malaysia, China, Vietnam and Philippines and is working in close connection with 30 regional Hebronstar Alliance offices across 20 countries including USA, Italy, China, Japan, Israel, Brazil, India, Peru and Taiwan to deliver exceptional results in cross-border projects.

10 years have passed since our inception in 2009 where we have envisioned becoming Asia's representative consulting firm and throughout our short expedition to date, we have enjoyed bringing forth tailored solutions to various business problems of over 500 clients.

Hebronstar facilitates our clients to strategically plan for their future, pave the way to enter the global market and to build their internal capacity to realize sustainable growth.

We envision becoming Asia's representative consulting firm.

However, we do not wish to rest in comfort zones in Asia but to expand to every corner in the world where business problems exist.
