JOB DESCRIPTION

POSITION:	BA (Business Analyst)
DATE PREPARED:	April, 2021 ~
DEPARTMENT:	Consulting Staff
REPORTS TO:	Case Manager / Principal
LOCATION:	Seoul

WHO WE ARE...

Corporate Value Associates

CVA(Corporate Value Associates) is a global strategy consulting firm with 18 offices, HQ in Paris, working as one firm to serve multi-national clients. Through our network, we have serviced our blue-chip clients for over 30 years by applying our problem solving frameworks to their often complex and critical problems.

We currently have exciting opportunities for talented and motivated people wishing to join our Seoul office as a BA (Business Analyst). At CVA, you will work on a range of highly stimulating and interesting projects across various industries, geographic locations and international cultures. You will work on discreet modules of larger projects, analyse complex and ambiguous problems, manage client relationships and develop innovative, tangible solutions for our clients.

WHAT YOU WILL DO...

Duties and Responsibilities

- Work on business-critical projects that are at the top of our clients' agendas
- Assist with the development of hypotheses, conduct research, perform analysis and communicate conclusions
- Play a role in delivering effective solutions to our clients
- Participate in a team of consultants/managers and client staff on a day to day basis
- Conduct research, analysis and translation
- Derive implications and formulate solutions from the raw data gathered
- Report to CVA case management
