**Job Description:****Company Overview**

Bank of America is one of the world's largest financial institutions, serving individual consumers, small- and middle-market businesses and large corporations with a full range of banking, investing, asset management and other financial and risk management products and services. Bank of America Merrill Lynch is the marketing name for its international businesses and is a long-established participant in Asia Pacific with a presence since 1947. With 23 offices in 12 geographies, covering nine currencies, more than a dozen languages and five time zones, the company offers an integrated and comprehensive set of products and services across Global Corporate & Investment Banking, Global Markets and Wealth Management, serving the needs of individual, corporate, institutional and government clients, combining the best of local knowledge and global expertise.

Bank of America is committed to attracting, recruiting and retaining top diverse talent from across the globe. Our diversity and inclusion mission is to actively promote an inclusive work environment where all employees have the opportunity to achieve personal success and contribute to the growth of our business. Each of our global Employee Networks bring together employees, create dialogue and awareness in support of our Diversity and Inclusion mission.

**Our Business**

Global Investment Banking focuses on building long-term relationships with more than 3,000 large corporations, financial institutions and financial sponsors, by providing strong advisory expertise and capitalizing on powerful M&A, corporate banking, treasury, debt and equity product expertise to deliver integrated financial solutions. We have a significant presence in the Americas, Europe, Emerging Markets (ex-Asia) and Asia Pacific.

**Job Description**

- Assist associates/ senior bankers in all aspects of M&A / Corporate Finance transactions, from creating pitchbooks and marketing materials to conducting in-depth financial analysis.
- Prepare materials for client pitches and attend client meetings if needed.
- Help generate ideas and opportunities for new and existing clients through in-depth research, financial modeling and industry analyses.
- Learn from, and work with, teams consisting of professionals drawn from across the business, including senior bankers within your group, experts in other areas of the firm and colleagues from around the globe.
- Conducting sophisticated financial analysis and relevant industry research

**Qualifications**

- Fluent in English and Korean
- Good understanding on banking operations and knowledge on regulatory requirements
- Strong organizational skills and attention to details
- Strong written and verbal communication skills
- Ability to interact with associates at all levels of the organization
- Relevant experience in Banking preferred

The expected start date will be May 2022 and end date will be August 2022.
