

Mizuho Securities Asia Limited

14-15/F, K11 Atelier, 18 Salisbury Road, Tsim Sha Tsui

Job Title | Graduate Analyst
Department | Debt Capital Markets
Reports to | Head of Debt Capital Markets, Mizuho Securities Asia

Why Mizuho

At Mizuho Securities Asia, our greatest asset is our people and we are committed to promoting a vibrant and supportive environment full of opportunities. Just like our global client and customer base, our people come from diverse backgrounds and our success is supported by our creativity, teamwork and collective abilities as individuals to exceed the dynamic needs of our customers.

At Mizuho Securities Asia, we provide the stability of an international industry leader with the career trajectory of a growing business. Our strategic growth gives our people at all levels rewarding degrees of responsibility and a richer work experience than a boutique firm or an established giant could offer alone. With a focus on growing and expanding our platform across Asia, we are committed to attracting, hiring, retaining and rewarding the best-in-class talent.

Job Description**Job Overview**

As an Analyst in the Debt Capital Markets, you will:

- Maintain and preserve integrity of data used in marketing material, pitchbooks and market reports
- Prepare regular internal and external market update materials for monitoring latest market trends and news on conditions in the global capital markets with an emphasis on US fixed income markets.
- Assist in arranging market update calls, due diligence sessions, and investor telephonic marketing
- Produce pitch books and proposals for debt capital markets transactions
- Support origination and execution of debt capital markets deals
- Work with deal team banks to update clients with indicative pricing, market intelligence, and related correspondence.
- Participate in reviewing and editing of deal documentation such as offering documents, underwriting agreements, press releases, and roadshow presentations
- Communicate with various internal teams throughout the pitch and execution process
- Conduct comprehensive, in-depth market and industry research
- Prepare client presentations and other marketing materials for assisting deal execution and market updates
- Coordinate arrangements and documentation for internal deal approvals.
- Participate in meetings with clients

Qualifications

- Understanding of corporate finance and financial accounting
- Strong interest in fixed income and global financial markets
- Korean and English fluency (verbal and written)
- Ability to manage multiple projects with time sensitivity and detail orientation
- Client focus and ability to perform in a lean team
- Proficiency in Excel, Word, PowerPoint and familiarity with Bloomberg
- Relevant internship experience may help

Role Prerequisites

- Final year student graduating by June 2022
- Native in Korean and fluent in English (IELTS score of 7.5 or above)
- Degree in Finance, Mathematics or Business Management preferred
- An expected degree minimum of a 2:1 or equivalent
- Good understanding and passionate about Debt Capital Markets and Financial Markets

Company Overview

As a leading Asia-focused investment bank, we provide corporates and institutions with unparalleled access and expertise in Japan and Asia. To them we are seen as the partner of choice, offering a wide range of investment banking and global markets solutions for the increasingly sophisticated and technological needs of our large client base – primarily corporations, financial institutions, pensions, asset managers, and public sector entities.

Our parent company – Mizuho Financial Group – came together in late 2002, merging three of the largest banks in Japan and is today one of the world's largest financial institutions, employing over 60,000 employees in nearly 900 offices and 40 countries. With our global presence and affiliates across Asia, Americas and EMEA, we're able to meet local market needs with a combination of unique market insights, knowledge and capabilities, backed by approximately USD2.1 trillion in assets.
