

Bain Capital Special Situations (Korea) Internship Opportunity

About Bain Capital

We are one of the world's leading private multi-asset alternative investment firms with approximately \$160 billion in assets under management that creates lasting impact for our investors, teams, businesses and the communities in which we live. Founded in 1984, we pioneered a consulting-based approach to private equity investing, partnering closely with management teams to offer the insights that challenge conventional thinking, build great businesses and improve operations. Over time, we have organically expanded this approach across asset classes to build one of the strongest alternative asset platforms in the world.

Today, our teams strive to create value through private equity, public equity, fixed income and credit, venture capital and real estate investments across multiple sectors, industries, and geographies. We believe that our people and the shared values we've espoused since our founding remain the core of our competitive advantage. This has empowered us to deliver an enduring impact to a diverse group of investors including pensions, endowments, foundations and individuals.
