WHO WE ARE...

CVA (Corporate Value Associates) www.corporate-value.com

CVA is a global strategy consulting firm with 18 offices, HQ in Paris, working as one firm to serve multi-national clients. Through our network, we have serviced our blue-chip clients for over 30 years by applying our problem solving frameworks to their often complex and critical problems.

WHAT YOU WILL DO...

*“RAs will have the opportunity to understand what working life as a consultant entails”
 At CVA, you will work on a range of highly stimulating and interesting projects across various industries, geographic locations and international cultures. You will work on discreet modules of larger projects, analyse complex and ambiguous problems, manage client relationships and develop innovative, tangible solutions for our clients.*

Requirements

- Career-minded students, newly graduates or those in their last year of a quantitative based Degree or Masters
- Solid communication skills
- Professional attitude
- Logical thinking & problem solving skills
- Previous internships in the consulting field, fluent English (business communication level/ both written & spoken) would be well regarded
