

## **Commodities and Global Markets – Fixed Income Sales Intern, Seoul, Korea**

Seoul

Do you want to experience what it is like to be part of a talented global team? Are you instinctively entrepreneurial and ambitious in nature? If you're determined to succeed, we can help you reach your potential.

At Macquarie, we look for innovative, driven and talented students who are resilient and collaborative. Joining our Fixed Income team within our Commodities and Global Markets business group based in Seoul, Korea, you will be sitting side-by-side with business leaders, learning on the job and making a difference.

Working in our Seoul office, you will be supporting the team in these aspects:

- Performing research and providing answers for customer generated inquiries.
- Contributing to defined projects or tasks under direct supervision.
- Documenting processes or upgrading existing procedure manuals.
- Developing product or service knowledge and competence in tools and business processes used in the department.
- Support the Sales Team in their day-to-day job

As an intern, you can expect to participate and support the operational activities of the business unit. You will get to apply experience and complete working knowledge of the job and policies/practices to perform a combination of routine tasks and varied administrative/operational assignments.

We are looking for an off-cycle intern to join us ideally from Jul 2023 for 3 months.

### **About you**

- We are looking for students from a wide range of degree backgrounds who are completing their degree in or after 2024
- You have strong interpersonal skills
- You have strong analytical and numerical skills that put you at ease with financial data.
- You are results-driven and perform well under pressure and against tight deadlines.
- You are a proven team player and can manage a wide range of responsibilities.
- You are committed to excellence in your work and maintain high professional and ethical standards
- You articulate complex ideas simply and summarise them effectively.
- You have an excellent academic background and fluency in English. Ability to communicate effectively in multiple languages is an advantage.

### **About Commodities and Global Markets**

In Commodities and Global Markets you will be part of a global business offering capital and financing, risk management, market access, physical execution and logistics solutions to its diverse client base.

### **Our commitment to Diversity, Equity and Inclusion**

The diversity of our people is one of our greatest strengths. An inclusive and equitable environment enables us to deliver innovative and sustainable outcomes for our people,

clients, shareholders and communities. From day one, you'll be encouraged to be yourself and supported to perform at your best. If our purpose of 'empowering people to innovate and invest for a better future' is as inspiring to you as it is to us, please apply. With the right technology, support and resources, our people can work in a range of flexible ways.

We are committed to providing a working environment that embraces and values diversity, equity and inclusion. We encourage candidates to speak with a member of our recruitment team if you require adjustments to our recruitment process to support you, and the type of working arrangements that would help you thrive.
