

WHAT IS IT LIKE TO BE A GRADUATE TRADER WITH US?

As a Graduate Trader with Flow Traders you will follow an initial 3 months intensive in-house training program at our Headquarters in Amsterdam, the Netherlands, covering all intricate details of our trading processes. Upon successful completion, you will relocate to our Hong Kong office and begin to manage a desk together with a Senior Trader. Gradually you will take on more responsibilities, start to formulate strategies, trade and monitor markets at your own desk focusing on a wide range of financial products.

Who We Look For

- Penultimate and final year students currently pursuing a Degree in Finance, Science, Mathematics, Physics, Economics, Engineering or a related field
- A demonstrable interest in global financial markets and a keen interest in technology
- Excellent communication skills
- Eager to spot opportunities and assertiveness to seize them
- Able to perform and deliver under pressure
- Excellent numerical, analytical, and logical reasoning skills

What We Offer

- 3 months intensive in-house training
- Excellent performance-based rewards as we reserve a high percentage of our business results in our bonus pool
- Direct implementation of trading ideas
- Exposure to a wide range of asset classes and financial instruments
- Excellent company perks including medical insurance, catered meals, company trips, subsidised gym memberships and more!
