

## **2023 Off-cycle Internship, Macquarie Asset Management - Green Investment Group**

Seoul

Do you want to experience what it's like to be part of a talented global team? Are you instinctively entrepreneurial and ambitious in nature?

We have an exciting 3-month internship opportunity for a motivated, high performing student to be exposed to our Green Investment Group (GIG) business in Seoul. As an intern, you will sit side-by-side with the deal team, learning on the job and making a difference by working on critical projects. You will have the opportunity to be engaged in the review and execution of investment opportunities, financial analysis and modelling, and preparation of presentation materials.

At Macquarie we look for innovative, driven and talented students who share our drive for excellence. You will be a current full-time undergraduate student with a basic understanding of financial concepts and ideally, prior internship experience across Corporate Finance and/or M&A at a leading multinational bank, Big 4 consulting firm, asset management or corporates. Exposure to the energy transition and renewable energy sector would be a plus point.

You will have outstanding analytical and quantitative skills with an ability to multitask and meet challenging deadlines. Fluency in Korean and English is essential.

Please note that we expect applicants to hold relevant work rights for the location they apply to.

### **About Green Investment Group**

Green Investment Group (GIG) is a specialist green investor within Macquarie Asset Management (MAM), and a global leader in the development of companies, assets and technologies that aim to accelerate the global transition to net zero. Initially launched by the UK Government in 2012 as the Green Investment Bank, it was the first institution of its type in the world. Acquired by Macquarie in 2017, GIG has grown to become one of the world's largest green investors with a development pipeline of 90 GW in over 25 markets, spanning established renewables and emerging green technologies.

Macquarie Asset Management is a global asset manager that aims to deliver positive impact for everyone. Trusted by institutions, pension funds, governments, and individuals to manage approximately \$A795.6 billion/EUR519.4/GBP455.9/USD508.9 in assets globally. Macquarie Asset Management is part of Macquarie Group, a diversified financial group providing clients with asset management, finance, banking, advisory and risk and capital solutions across debt, equity, and commodities.

All figures as at 30 September 2022.

### **Our commitment to Diversity, Equity and Inclusion**

The diversity of our people is one of our greatest strengths. An inclusive and equitable environment enables us to deliver innovative and sustainable outcomes for our people, clients, shareholders and communities. From day one, you'll be encouraged to be yourself and supported to perform at your best. If our purpose of 'empowering people to innovate and invest for a better future' is as inspiring to you as it is to us, please apply. With the right technology, support and resources, our people can work in a range of flexible ways.

We are committed to providing a working environment that embraces and values diversity, equity and inclusion. We encourage candidates to speak with a member of our recruitment team if you require adjustments to our recruitment process to support you, and the type of working arrangements that would help you thrive.
