

Ascent Equity Partners – Internship Opportunities

Recruitment Overview:

Founded in 2020, Ascent Equity Partners (“Ascent” or “the Firm”) is a Korea-based private equity firm specializing in growth capital and mezzanine investments in firms worldwide.

Ascent is currently hiring a Research Analyst Intern with competitive experience in capital market and client services, and degrees (but not limited to) in business, economics, or related areas.

The Firm is seeking a candidate who will be available in September or October. The exact dates of onboarding may be discussed for exceptional candidates.

Your Responsibilities:

You will be involved in various investment-related activities including documentations of memoranda and internal reports, in-depth research on industry, targets, technologies, etc., and assists in portfolio management.

Qualification:

- Strong passion in investment
- Native proficiency in written and spoken Korean and English (Native or near-native fluency in Chinese and/or Japanese is a high plus)
- Good communication and time management skills
- Proficiency in MS Office is a must and strong knowledge of accounting, financial analysis and valuation is a plus
- Prior experience in investment banking or management consulting is a plus but exceptional candidates without those experiences will be considered

Others:

- 근무기간: 3개월
- 급여: 협의상 결정 (최저시급 준수)

Instructions for Application:

Please send your resume and cover letter in English to hosun.yoo@ascentep.com. Please include your dates of availability in either of the documents.

Qualified candidates will be notified separately along with instructions for the next steps. Please note that interviews will be conducted on a rolling basis at Ascent’s office located in Sinsa-dong, Gangnam-gu.
