

We're hiring 2024 summer interns in Seoul!

Associate Consultant Intern, Korea – 2024 *Marketing or Strategy & Transformation Tracks*

Think big and scale fast around with our Data & Services team!

We combine traditional management consulting with our rich data assets and in-house technology to provide our clients with powerful strategic insights and recommendations.

Apply by 24 March 2024

Undergraduates graduating between
December 2024 – August 2025

Internship Program runs from
1 July - 30 August 2024

As an Associate Consultant Intern, you will:

- Work on small teams to solve our clients' most challenging strategic problems
- Participate in volunteer and team building experiences
- Exposure to our leadership team through networking sessions and speaker series
