

# Centroid Investment Partners

## Investment Team Internship Opportunity

### About Centroid Investment Partners

Established in 2015, Centroid Investment Partners LC. is a Seoul-based private equity firm. Since its inception, Centroid has built a proven track record of executing strategic buyout transactions across a diverse set of industries in Korea. Some of our recent acquisitions include TaylorMade Golf, Concert Golf Partners, South Springs, KAF, and Woongjin Booxen. Centroid adds value to investor partners by strategically transforming companies to enhance profitability and competitiveness, while working closely with management and its diverse partners and professionals to advise on strategic growth. For further information, please visit <http://www.centroidip.com/>.

### Job Description

Centroid is seeking a highly competent and enthusiastic intern to the Investment Team. In this role, you will support teams by conducting market data research and participating in financial modeling and discussions related to Centroid's investment decision and value creation for investors. During the internship, Centroid will provide training in financial analysis, technical skills and industry study. This position offers a 3-6 months contract with the strong possibility of transitioning to a permanent position based on performance.

### Responsibilities

- Drafting memoranda, presentations, and other materials as required
- Conducting market research
- Assisting in the management of portfolio companies
- Performing financial analysis, valuation, and modeling

### Qualifications

- Previous internship experience at a top-tier investment bank, private equity firm, accounting firm, or management consulting is highly preferred but not necessary.
- Well-rounded academic background from a prestigious institution
- Strong skills in accounting, finance, quantitative analysis, and business writing
- Highly proficient in Microsoft Excel, Word, and PowerPoint
- Native-level proficiency in Korean and fluency in business English

### How to apply

Candidates who are interested in applying for the internship opportunity should submit a resume in either Korean or English to [sangyeop.shin@centroidip.com](mailto:sangyeop.shin@centroidip.com), [yuree.hwang@centroidip.com](mailto:yuree.hwang@centroidip.com) as soon as possible. Please provide "Your name\_CIP Internship Application" in the email subject and ensure filename consistency. Selected candidates will be invited for further steps.
