

# 2024 Goldman Sachs Hong Kong Engineering Exploratory Series

At Goldman Sachs, we believe who you are makes you better at what you do. We seek out people with all types of skills, interests and experiences. Even if you have never imagined a career in finance, there's a place for you here.

Our Engineering teams, comprised of our Technology Division and global strategist groups, build solutions to some of the most complex problems in the industry. From automated trading to managing data, risk analysis to safeguarding information and promoting environmental sustainability, our commitment to best-in-class technology provides Goldman Sachs with a competitive edge.

Come join us to learn about the summer internship opportunities at Hong Kong Engineering and complete the coding challenge. The overall challenge winners will have the chance to receive accelerated interviews for 2025 Hong Kong Engineering Summer Internship positions.
