

CITIC
SECURITIES

CLSA

Company Overview

CLSA, CITIC Securities' international platform, provides global investors and corporates with insights, liquidity and capital to drive their growth strategies.

Award-winning research, an extensive Asia footprint, direct links to China and highly experienced finance professionals differentiate our innovative products and services in asset management, corporate finance, equity and debt capital markets, securities and wealth management.

As part of CITIC Securities (SSE: 600030, SEHK: 6030), China's leading investment bank, CLSA is uniquely positioned to facilitate cross-border capital flows and connect China to the world and the world to China.

CLSA operates from 13 countries across Asia, Australia, Europe and the Americas. For further information, please visit www.clsa.com.

Position Title : CITIC CLSA Internship Programme 2025

OVERVIEW

CITIC CLSA internship programme introduces successful candidates to international finance. We provide a comprehensive introduction to all front office and corporate functions with on-the-job experience in an area of the business most aligned with your career goals.

Our diversified business lines offer candidates the exciting opportunity to work and gain industry knowledge.

Throughout the eight-week internship programme, you will connect with CITIC CLSA's highly experienced professionals from across the organisation while gaining on-the-job experience and working on real-life projects that drive the business forward.

CANDIDATES

CITIC CLSA is seeking curious, passionate, intelligent, young talents in their penultimate year of university who are keen to learn in our fast paced, ever-changing, culturally diverse environment to join us. You will need the resilience and the determination to succeed and make an impact. Naturally, your excellent communications and organisation skills are pre-requisites.

PROGRAMME

Our CITIC CLSA internship programme runs every year across many locations.

Training: The programme begins with a one-day induction for all interns. Throughout the programme, interns will have access to a variety of CITIC CLSA senior management via our speaker events, skills training and mentorship. A series of interactive training sessions will be provided to ensure interns build their industry knowledge, develop technical skills, and enhance personal effectiveness and teamwork activities.

On-the-job experience: Interns will be fully immersed in the daily activities of their allocated department. They will receive support and supervision from our professionals throughout the programme.

Kindly refer to www.clsa.com for various areas of front office, corporate functions that you may be interested in.
