Global Management Program (GMP)

Global Management Program (GMP) is a 6-day intensive program in which students are provided with a unique opportunity to interact with global business leaders to learn more about the fashion-retailing industry and Fast Retailing's business.

WHAT TO EXPECT IN GMP?

During the 6 Days, students can learn leadership and project management skills by discussing with industry specialists and collaborating with students from around the world to tackle and propose solutions for global business issues.

Global Networking & Engagement Activity

Business Sessions, Store Visit & Research

Final Presentation & Award Ceremony

OUR ALUMNI COMMUNITY

Since 2019, we have welcomed over 300 students from all over the world! Our participants were from a wide range of markets:

USA	Australia	Bangladesh	Belgium	Cambodia
England	Philippines	France	Germany	India
Italy	Japan	Thailand	Luxembourg	Malaysia
Canada	China	Indonesia	Mexico	Vietnam
South Korea	Syria	Taiwan	Singapore	Uzbekistan

Sessions with Global Leaders

- **Brand Strategy**
- **Business Model**
- **Merchandising**
- **Product Management**
- **Sustainability**

Since 2019, GMP has provided students with opportunities to engage business professionals on various topics.

Our managers and directors supported the students in broadening their horizons and brushing up their ideas for the team project.

GMP is where students can interact with international peers while gaining insights from global business leaders and UNI QLO mentors.

GMP Alumni Insights

The GMP was impactful for my **professional development** and stands out as one of my most memorable experiences.

The program's in-depth look **at retail strategy innovation and decision-making through speakers and case studies** opened my eyes to **UNIQLO's commitment to its LifeWear philosophy**.

Brian
(United States)

In the program, I learned so much about the **philosophical concepts of Fast Retailing** through the **guest speaker sessions** and how to get the best results as a group.

Every participant was so thoughtful and collaborative that I never hesitated to speak up to share my ideas and **communicate with my team members**.

Kaito
(Japan)

UNIQLO GMP was a **transformative experience** that redefined my perspective on global business. I had the privilege of **learning from industry experts**, working alongside people from all over the world, and experiencing the unique culture of Japan firsthand.

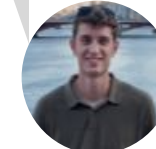

I highly **recommend it to students who aim to be future global business leaders**.

Adie
(Philippines)

The GMP program was a wonderful experience that **introduced me to both Japan and UNIQLO**. I was given the opportunity to work on **solving real-life problems and goals**.

As someone who later joined the company as a UMC, **this was the perfect way to start my career with UNIQLO**. I can't recommend this program enough!

Mateo
(Belgium-Spain)
