

INSIGHT

Apply to Jane Street's INSIGHT program!

We're inviting students who identify as women, transgender or gender-expansive to spend three days in our office learning more about what we do and how we do it through a set of trading and programming classes and activities. Attendees will receive an in-depth look into the ways we use math and computer science across our firm to solve problems and foster collaborative thinking.

INSIGHT has three different program tracks students can apply for: software engineering, trading and strategy and product. No prior knowledge of finance is necessary — only an eagerness to learn and enthusiasm about mathematics and computer science.

Jane Street will cover all travel expenses to and from Hong Kong, as well as housing and meals.

Reach out to hkg_programs@janestreet.com with any questions.

When:

5 - 7 January 2026
7 - 9 January 2026

Where:

Jane Street's
Hong Kong Office
