

## **Tenet Equity Partners – Internship Program (Investment Team)**

### **Firm Overview**

Tenet Equity Partners (“Tenet”) is a Seoul-based private equity firm focused on buyout investments across a broad range of industries. The firm is led by investment professionals with extensive experience in private equity, investment banking, and management consulting.

Tenet operates with institutional-level investment standards, emphasizing rigorous analysis, disciplined decision-making, and a hands-on approach throughout the entire investment process.

As a close-knit team, Tenet offers a highly collaborative working environment with close day-to-day interaction among team members, where interns work as junior members of the Investment Team and take meaningful ownership of their work.

Tenet is seeking a highly motivated, analytical, and detail-oriented candidate to join the Investment Team as a Private Equity Intern.

### **Job Description**

- Program: Private Equity Internship
- Duration: 3 months (with potential for extension)
- Start Date: Late January to Early February 2026
- Team: Investment Division
- Location: Jongro-gu, Seoul

Interns will work directly with investment professionals as part of the Investment Team, gaining hands-on exposure to live transactions, due diligence, and investment decision-making processes.

Rather than performing routine research tasks, interns are expected to actively contribute as junior members of the Investment Team and develop a practical understanding of private equity investing.

### **Key Responsibilities**

- Analyzing and evaluating potential investment opportunities through industry research, company analysis, and financial performance assessment
- Assisting in the due diligence process, including financial analysis, market research, and financial modeling
- Assisting in the preparation of investment memoranda for potential acquisition targets
- Preparing ad-hoc analyses, presentation materials, and internal memos for meetings if necessary

### **Qualifications**

- Strong foundation in finance and accounting
- Strong analytical, problem-solving, and attention-to-detail skills
- High level of professionalism, maturity, ownership, and work ethic
- Advanced proficiency in Microsoft Excel, PowerPoint, and Word
- Proficiency in both English and Korean
- Prior internship experience in investment banking, management consulting, private equity, or related fields is preferred

### **Application Procedure**

- Interested candidates should submit their resume to [junyoung.maeng@tenetequity.co.kr](mailto:junyoung.maeng@tenetequity.co.kr) by January 16<sup>th</sup>, 2026.
- Resume file name format: “Tenet Internship Application\_University\_Your Name”
- Applications will be reviewed on a rolling basis, and early applications are strongly encouraged.
