

Where the Best Get Better

2026 APAC Business Academy

Join us for the 2026 APAC Business Academy, a 2-part exploratory program designed to provide students with a deeper understanding of Summer Analyst opportunities at Goldman Sachs.

This program combines interactive workshops, networking sessions, and a hands-on case study aimed at bringing our businesses to life. Through the case study, participants will work in teams to analyse a real-world business scenario aligned to our divisions, develop structured recommendations, and present their ideas—mirroring the collaborative and analytical work we do across the firm. You will also have the opportunity to engage directly with Goldman Sachs professionals, gaining insights into our culture, career paths, and day-to-day responsibilities.

Participants in the program may be considered for fast-track for the 2027 Summer Internship application process.

The 2026 APAC Business Academy will feature the following divisions:
Asset Management, Private Wealth Management, FICC and Equities (Sales and Trading), Investment Banking

Goldman Sachs is where exceptional people build extraordinary careers. We hire people with diverse skill sets, interests, and backgrounds – and we provide them with the hands-on experience to navigate business challenges and opportunities to learn firsthand from the very best.
